REMARKS

Applicants' representative thanks the Examiner for affording the telephone interview on November 15, 2006. During the Interview, the attorney for applicant notified the Examiner of the Request for Reconsideration that was mailed on November 14, 2006. The attorney asked that the Examiner review the Request and respectfully reconsider the objection to the device being handheld. The attorney pointed out that the other cited references were cumbersome, not intended for handheld use, and would not be beneficial for use in treating dog's toenails.

Respectfully submitted,
